Please nominate the award category for this entry (see choices below):

_____ 55. Construction - Sports Field/s

_____ 56. Surfacing - Sports Field/s

For the construction award (Category 55), the nominating member must have been the contractor who completed the base works and surfacing (or completed the base works and had principal contractor status over the sub-contractor who completed the surfacing, if the project was a resurface of an existing field), or the entrant did the surfacing component only under the authority of another builder or principal contractor, please indicate Category 56.

In addition to this Project Entry form, please provide separately (not embedded in document)

- If available, a copy of the site plan. The plan does not need to be professionally drawn, but as much detail as possible should be included to assist the judging process.
- If available, colour photographs should be provided that best illustrate the stages of work involved, such as: site prior to commencement, project at partial completion stage, and the finished project. If progress photos are not available, at least two photos of the finished project are required (the more the better).
